*\* The date, time and Church must be confirmed with the parish priest. Where there are two or more baptisms on the same day they will be celebrated at the same ceremony. This highlights that Baptism is a joyful parish occasion and not a private family event. Whichever family makes the first booking will be allowed to arrange the time and at which Church in the parish the celebration will take place.*

*\*\* Visiting priest friends and relatives are warmly welcome to preside at your family's baptism. A copy of the priest's current **Celebret** or **Letter of Good Standing** must accompany this form before the baptism request can be confirmed in the parish diary.*

*\*\*\* At least one Godparent must be a Catholic.*
